Milwaukee M18™ Radius™ Site Light

The M18™ RADIUS™ Site Light sets a new standard for cordless lights. Capable of running off of one or two battery packs, The RADIUS™ Site delivers full workspace coverage with 9,000 lumens for maximum 360° coverage. Adjustable output levels gives the user the ability to light the site for up to 14 hours off of one full discharge. Additionally, plug-in and daisy-chaining capability allows users to connect up to 12 lights off of a single circuit. A unique, stackable design makes the RADIUS™ Site Light easy to transport and store in all work spaces. (Battery sold separately)
